

# LEAD YOUR CHURCH TO *Financial Peace!*

FINANCIAL PEACE  
*University*

**78%** of Americans live paycheck to paycheck.<sup>1</sup>

**12%** of born-again Christians tithe.<sup>2</sup>

## MANAGING MONEY GOD'S WAYS DOESN'T HAVE TO BE HARD.

---

**But for a lot of people in your church, it is.**

It's hard for your members to be good stewards when they're burdened by debt, fighting with their spouses about money, and scraping by to make ends meet.

They want to do better with money. They just don't know how. But you can give them hope.

# IT'S NOT ENOUGH TO TELL YOUR CHURCH WHAT THE BIBLE SAYS ABOUT MONEY.

---

**Show them how to do it.**

*Financial Peace University* is the time-tested, biblically based class that helps you teach your church how to take control of their money.

Nearly *6 Million People* have learned to

**Dump Debt**

**Save for the Future**

**Build Wealth**

**“Through Dave’s financial education classes, families were strengthened, marriages were restored and lives were changed. People who may never have attended church for any other reason came to learn how they could have financial peace. They got what they came for but also left experiencing a greater peace—that of a relationship with Jesus Christ!”**

*— Paul Cooper*

Director of Stewardship at  
Bayside Community Church

## WHAT COULD THE PEOPLE OF GOD DO FOR THE KINGDOM OF GOD . . .

---

### . . . if they were debt-free?

The Bible says we are blessed so that we may be a blessing. Without debt and money stress, people are free to use their time, talents and money as God has called them. This is the “peace” part of *Financial Peace University*—to live, give and serve generously.
