

# KICK DEBT *To the curb!*

## BABY STEP 2

Pay off all debt with the debt snowball

- 1 List your debts smallest to largest.**  
Don't worry about interest rates! Seriously—smallest to largest.
- 2 Attack the smallest debt with a vengeance.**  
Make minimum payments on all your other debts while you pay off the smallest debt.
- 3 Repeat this method as you roll your way through debt.**  
Once the smallest debt is knocked out, take its payment and apply it to the next smallest debt.
