Start the Preview Video Presentation | 25 minutes
- Play the FPU Church Preview all the way through.
- Ask the following discussion questions:
  1. Why were these families willing to make changes in their lives?
     Hopefully you’ll hear, “They were serious about taking the steps necessary to get out of debt, stay out of debt, and build wealth God’s way!”
  2. How would it feel to know you’re making wise money decisions?
     Hopefully you’ll hear, “That would feel great!”
  3. Are you willing to invest what you might spend on pizza and colas for a month in order to change your family tree?
     You probably won’t hear anything now. That one is rhetorical.

Frequently Asked Questions

How often do the classes meet?
Your FPU class will meet once a week for 13 weeks.

How long is each class session?
- We suggest two hours for each weekly session.
- Part One presents the video teaching by Dave Ramsey to help you learn how to make wise financial decisions based on Scripture.
- Part Two of each class session is a small-group discussion with the class members sitting in a circle.
- The format of the small discussion groups helps you apply the principles to your daily life. The small-group members will help hold each other accountable and support one another. The discussion group will help ensure that class members’ behaviors and attitudes about money are being addressed.

What is the average size of the class?
The video portion of the class is unlimited. However, we recommend you break down into small groups of 8–12 families for the small-group time with a coordinator/small-group facilitator for each group.

What happens if a class member misses one class? Can they make it up?
Encourage your class members to attend every class of the 13-week program. However, if someone misses a class, there are two options to make up the lesson. First, the member can view the lesson video online in the MRC, print out the completion certificate, and bring it to you to be marked present for that lesson. Second, the class member can make up the session by attending that same lesson at another local class. Direct them to find a class in the area at daveramsey.com/fpu. Also, remind them that their FPU membership materials contain an audio CD library of all 13 lessons in their entirety for review.

Can I get CEU (Continuing Education Unit) credit for the class?
Yes! In many cases, FPU can award CEU credit to class graduates. Visit daveramsey.com/fpuceu for details.
What if people have a previous version of the FPU materials?
People with previous versions of FPU are considered lifetime members and may attend your class at no additional charge. If they would like to upgrade their materials, call your FPU Advisor for details.

When will the first class start?
Please give them your start date. The first class session usually takes place approximately two weeks after the final preview session, allowing time to process the enrollments and ship all of the class materials.

Can my class member get additional assistance if they need it?
For more detailed, complex financial assistance, Dave Ramsey trained counselors offer discounts for one-on-one counseling. To find a counselor in your area, visit daveramsey.com.

Who benefits from this program?
Everyone truly benefits from this program regardless of their age, income, marital status, or stage of life.

Who can attend with my Financial Peace University membership?
